THE CHURCH

This quarter, we have been studying about the Church of the Bible. I hope through our study, so far, that we all can see how unique and different the Church truly is compared to the way world the thinks about church. As we study together each week, let us examine what the Word of God says His Church should be like and then live out His plan for the Church every day of our lives. Let us be the Church that God has called us to be.
