Updates on Evangelism

Here are a few of the new evangelistic efforts starting at Siwell Road. If you are interested in helping in any of these areas please sign up on Sunday, July 18th.

Bookmarks - Bookmarks are a way for each member to keep a list in their Bible of those they would like to have a Bible study with and that they will be making efforts to teach the gospel. Please keep these contacts in your prayers and let the congregation know if there is anyway we can help.

Contact Cards - These cards are designed to be used by each member to add contacts to the congregational contact list. The cards are located on the evangelism table in the foyer. If one of your personal contacts has something going on in their life that the church could help with by sending cards and praying for them, please turn a contact card in to the box in the foyer. Also if you know anyone interested in a Bible study and you would like help or prayers with that study use these cards to submit names for Bible studies.

Card Care Groups. - The whole congregation will be divided into four groups to write cards to our congregational contact list, visitors, new converts, and members that need encouragement or are erring. Each group will meet once a month on Sunday evenings. Group leaders will be assigned for each group. Groups will be posted on the bulletin board on Sunday morning July 18th.

Door Knockings - One Saturday a month we will have a door knocking where we will try to set up Bible studies and reach out to our community. These door knockings will be assisted by the House to House/Heart to Heart publication we will be sending to our community.

House to House / Heart to Heart - This is an evangelistic news letter that we will be sending out to our community. This publication contains evangelistic materials, articles, and information about the Church.

New Movers - Along with House to House we are starting a ministry to reach people that are new to our community. We are starting a group that will assemble new movers baskets as a way to reach out to those in our area. If you would like to help with this ministry please sign up on the list in the foyer on July 18th.

Greeters/Visitor Bags - As a way to welcome our guests at each of our services we are bringing back a new greeters group. These greeters will be greeting primarily in the auditorium before and after class/worship. One of the tasks of the greeters will be to distribute visitor bags that will be provided. If you would like to be a greeter or would like to help assemble visitor bags please sign up on the lists in the foyer on July 18th.

If Today Was Your Last Day

In recent weeks, I have spent many hours between Jackson, Mississippi and Batesville, Mississippi. We have had youth at Sardis Lake Christian Camp for the past three weeks and it has been rewarding to see their excitement and recognition of the blessing in being with other Christians their age. On one of those trips, an 18-wheeler cut me off just before entering a construction zone, and scared me to the point in asking myself, "If today was my last day.."

If I knew what my last day on Earth was going to be like, maybe I would eat ice cream all day and watch some of my favorite comedy shows. Maybe I would take a child (whether I was a father, grandfather, or close friend) fishing. Maybe I would travel to the Grand Canyon. Those are all good things, but others may partake in some of what the world has to offer. Maybe someone would choose to steal something. Maybe someone would choose to spread rumors or gossip about others, I mean, if it is your last day on earth how would anyone know it is you? Haven't we all been tempted to do all the things above, good or bad?

What did Jesus do? Jesus, as we know, hung on the cross in our place. A lot of times, we forget about what happened before His crucifixion. Yes, He was beaten. Yes, He stood trial. Yes, He was betrayed for money. We often forget about what He did in John 13. John 13:1 says, "Now before the Feast of the Passover, when Jesus knew that his hour had come to depart out of this world to the Father, having loved his own who were in the world, he loved them to the end." Jesus loved His disciples, and washed their feet. Why can't we make something like washing the feet of others one of our last actions on Earth? I find it funny that we have no idea when our time on Earth will end and think on all the things we would selfishly like to do, but Jesus did know; and He washed feet.
