Involvement

As the Body of Christ we have been called by God to be faithful servants and stewards. Each person is important in the work of the Church and everyone has something to offer. There are numerous ministry areas here at Siwell Road, and a wide variety of talents and skills that are needed. We need your help and would love to assist you in being more involved.

Things you can do to get more involved...

1. Talk with Derek Broome. He is over congregational involvement and would be happy to assist you in getting involved here at Siwell Road.
2. Talk with one of the deacons about helping in their ministry areas.
3. Fill out or update your involvement form. These forms can be found online on the involvement page or on the bulletin board in the foyer. All forms need to be completed and returned to Derek Broome or the church office.
4. Please be sure we have your up to date contact information. Email, phone and address. If you are not getting any messages from the church something is wrong. We send out multiple messages and updates throughout the week. Please let the church office know.
5. Get connected to Realm. Realm Connect is the mobile app and website that we primarily use to keep everyone informed about all of the upcoming events and announcements. This app/website has a lot of wonderful features. One of the lesser used features allows members who have set up their account to click on more - groups - find groups and select groups from a category list that you would like to be involved with.
