WITH THE REALM CONNECT APP

Realm Connect

Here at Siwell Road we want everyone to get connected and stay up to date on the latest information. One of the ways we do this is through Realm Connect. Realm is the mobile app and website we use primarily use for communicating to the congregation. The app version and the web version provide a great way to connect with everything that is going on here at Siwell Road. It functions like our own social media platform and it sends out emails and push notifications to keep everybody informed. Each week we send out numerous messages trying to help everyone have the latest news. These messages may include prayer requests, upcoming activities, exciting news, ways to serve, bulletins, emergency alerts, and so much more. Please follow the steps below to get connected and receive the latest information.

Setting Up Realm

1. **Fill out an Involvement Form.** This will let us know the areas you want to be involved and will give us your contact information.
2. **Contact Information.** Once we have your email address and contact information we will be sending you an invite link to set up your account.
3. **Account Setup.** Once you receive the invite message please click on the invite link to create you own personal account and password. Please write down your information so that you can continue to log in to your account.
4. **Realm Access.** Realm is a website as well as a mobile app. The website is <https://onrealm.org/SiwellRoadChurc/SignIn> .The Realm Connect app can be downloaded from the Apple App Store or Google Play. The email and password you used during your account setup will log you in to either the website or mobile app.
5. **Stay Connected.** If for some reason you stop receiving messages and updates please contact Derek Broome or the church office as soon as possible. We want to be sure everyone stays connected here at Siwell Road.

Realm Connect Special Features: Updated News Feed, Youth News, Personal Profiles, Group Information and Communication, Deacon and Group Leader Access, Event Calendar, Event Signup, Volunteering, Mobile giving, Mobile Check-in, Directory, and if you are interested in being involved in more areas you can search and sign up for new groups under Find Groups.
