### **Building Announcement**

Siwell Road has been blessed by an anonymous donation to remodel the children's wing of our building. We are so thankful to this donor family for their love and generosity.

This is such a generous gift and a blessing to the congregation that allows us to update some of our facilities without using any money from the church treasury.

Starting August 1<sup>st</sup> construction will begin on the A-Wing hallway. During this time the A-wing hallway will be inaccessible, at least through phase 1. Phase 1 will include new floors, painted walls, and renovated bathrooms. Phase 1 will also be preparing for all children's classes to be moved to the A-wing hallway at the completion of this project. Phase two of the project will include some additional furniture items and decorations for the A-wing, classrooms, and educational areas, including painted murals in those areas.

To facilitate Bible classes during the construction period, all children and teen classes will be moved to the B-wing and/or downstairs for one quarter. We will only have two adult classes available during that quarter, including the auditorium class. These class adjustments will be temporary but will give us an efficient and safe way to conduct our Bible classes and worship during this time of renovation.

During the construction the upstairs fellowship hall will be closed, as it will be used for temporary storage. If you are needing to use the building for an event, please plan to use the downstairs fellowship hall during this time. All requests to use the building need to be placed with the church office.

We are so looking forward to the completion of this project and a newly renovated educational area for our children now and in the future. Please continue to keep this project and the contractors in your continual prayers as construction begins. If you have any questions at all please contact one of the elders. God Bless!
