**Discussion Questions Concerning
Qualifications of a Deacon**

1. What are the qualifications listed in 1 Timothy 3:8-13 for a deacon?

2. Why do you think Paul places such a strong emphasis on a deacon's character rather than talents or abilities?

3. What does it mean to "hold the mystery of the faith with a pure conscience," and how can we live that out today?

4. Why is it important that deacons are "tested first" before serving, and what might that look like in a church today?

5. Which qualification listed in this passage do you think is the most challenging to practice, and why?
